MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made and entered into as of the date of formal approval hereof by the City Council of the City of Carlsbad, by and between designated management representatives of the City of Carlsbad (hereinafter referred to as the "City") and the designated representatives of the Carlsbad Firefighters' Association, Inc. (hereinafter referred to as CFA or "CFA, Inc.").

PREAMBLE

It is the purpose of this Memorandum of Understanding (hereinafter referred to as "Memorandum") to promote and provide for harmonious relations, cooperation, and understanding between the City management representatives and the local safety fire employees covered under this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum; and to set forth the agreement of the parties reached as a result of good faith negotiations regarding wages, hours, and other terms and conditions of employment of the employees covered under this Memorandum, which agreement the parties intend jointly to submit and recommend for City Council approval and implementation. In cases where there is a conflict between this Memorandum and the Carlsbad Fire Department Directives, this Memorandum shall prevail.

ARTICLE 1. RECOGNITION

The City of Carlsbad recognizes CFA, Inc. as the majority representative for all classifications in this Unit, as set forth in the Petition for Recognition, submitted November 3, 1991, in accordance with the provisions of Section 2.48.090 (1) of the Carlsbad Municipal Code.

ARTICLE 2. IMPLEMENTATION

This Memorandum constitutes a mutual recommendation to be jointly submitted to the City Council following ratification of the Memorandum by the membership of CFA, Inc. It is agreed that this Memorandum shall not be binding upon the parties, either in whole or in part, unless and until the City Council acts by majority vote to formally approve and adopt this Memorandum. It is further agreed that, if the City Council approves and adopts this Memorandum, City management will act in a timely manner to make the changes or recommend the City Council make the changes, in City ordinances, resolutions, rules, policies, and procedures necessary to implement this Memorandum.

ARTICLE 3. TERM

The term of this Memorandum shall be from January 1, 2013, through December 31, 2013.

ARTICLE 4. RENEGOTIATION

In the event either party desires to meet and confer in good faith on the terms of a successor Memorandum, that party shall serve upon the other a notice of such intent. During the term of

this Memorandum, the parties agree to meet and confer upon request of the other party to discuss additional changes to this Memorandum required by implementation of the HCMS payroll software system.

ARTICLE 5. RETENTION OF BENEFITS

The employees represented by CFA, Inc., shall retain all present benefits for the term of this agreement, as amended by this Memorandum, subject to the following provisions:

- Matters That Fall Within the Scope of Representation:

The City agrees to give advance notice and opportunity to meet and confer on the subject of current wage levels and benefits, and other matters which fall within the scope of representation, such as, but not limited to, material modifications to personnel rules and Fire Department directives, before taking any action impacting employees within the bargaining unit.

- Management Rights:

The City's decisions regarding staffing levels, station closures, layoffs, reorganization, contracting out bargaining unit work to third parties, and furloughs which the City may elect to utilize to address fiscal difficulties it faces now or in the future, are management rights. Nevertheless, the City agrees to give advance notice and the opportunity to discuss these subjects before taking any action impacting employees within the bargaining unit.

ARTICLE 6. CITY RIGHTS

The rights of the City include, but are not limited to the exclusive right to determine the mission of its constituent departments, commissions, and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; contract out, after meeting and conferring over decision and effects, bargaining unit work to third parties; maintain the efficiency of governmental operations; determine the methods, means, and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

ARTICLE 7. NO STRIKE AND NO LOCKOUT

- A. No Strike. During the term of this Memorandum and in accordance with Labor Code Section 1962, neither the employees nor any agents or representatives will instigate, promote, sponsor, engage in, or condone any strike (including sympathy strike), slowdown, concerted stoppage of work, sickouts, or any other intentional disruption of the operations of the City, regardless of the reason for so doing.

- B. Penalty. If a strike occurs in violation of Article 7.A. or Labor Code Section 1962, the City may utilize any legal remedies available to it to halt the strike. In addition, any employee engaging in activity prohibited by Article 7.A. or Labor Code Section 1962, or who instigates or gives leadership to such activity, shall be subject to disciplinary action.
- C. No Lockout. During the term of this Memorandum, the City will not instigate a lockout over a dispute with the employees so long as there is no breach of Section 7.A.
- D. Association Official Responsibility. Each employee who is an officer of CFA, Inc. occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. The employees agree to inform members of their obligations under this Memorandum and Labor Code Section 1962 and to direct them to return to work.
- E. Non-discrimination Clause. Neither City nor CFA, Inc. shall interfere with, intimidate, restrain, coerce, or discriminate against employees covered by this Memorandum because of exercise of rights to engage or not engage in CFA, Inc. activity or because of the exercise of any right provided to the employees by this Memorandum.

ARTICLE 8. COMPENSATION ADJUSTMENTS

8.1 Effective the first full pay period following Council approval of this MOU, the City shall implement an across the board base salary increase of three percent (3%) for all represented classifications.

Any step increases granted shall be effective on the employee's anniversary date or date of promotion.

ARTICLE 9. BEREAVEMENT LEAVE

An employee working a 112 hours/pay period schedule may use up to two shifts (48 hours) of paid leave if required to be absent from duty due to the death of a member of the employee's immediate family. The usage of bereavement leave, however, is limited to three consecutive days which may or may not include a scheduled shift(s). An employee working an 80 hours/pay period schedule may use up to three work shifts of paid leave if required to be absent from duty due to the death of a member of the employee's immediate family. Additional time off may be authorized by the Fire Chief or his/her designee and charged to accrued vacation or sick leave or, when no accrued leave is available, treated as leave without pay.

The "immediate family" shall be defined as: a spouse, domestic partner, child, grandchild, member of immediate household, sibling, parent, or grandparent whether biological, foster, step, adopted, or in-law. It also includes any person who has served in place of a parent to the employee, or any person for whom the employee has served in place of a parent. The term "child" means a biological, foster, or adopted child, a stepchild, a legal ward, a child of a

domestic partner, or a child of a person standing in loco parentis. The term “parent” means a biological, foster, or adoptive parent, a stepparent, or a legal guardian.

The employee may be required to submit proof of the family member’s death before being granted bereavement leave.

ARTICLE 10. LONG-TERM DISABILITY

The City and CFA agree that CFA will contract directly with an insurance company to provide long-term disability benefits for all represented employees at the employee’s cost.

ARTICLE 11. ANNUAL VACATION LEAVE

A. Basis of Accrual

The City and CFA, Inc., agree to continue the following annual vacation leave schedule for all employees working a 112 hours/pay period schedule:

Less than 5	full calendar years of continuous service	-21 minutes/day

Vacation leave is accrued on a daily basis. Vacation leave can be used in 15 minute increments.

B. Vacation Accrual Maximum

All employees working a 112 hours/pay period schedule shall be entitled to earn and accrue up to and including four hundred and forty-eight (448) hours of vacation. No employee working a 112 hours/pay period schedule will be allowed to earn and accrue vacation hours in excess of the four hundred and forty-eight (448) hour maximum.

All employees working an 80 hours/pay period schedule shall be entitled to earn and accrue up to and including three hundred and twenty (320) hours of vacation. No employee working an 80 hours/pay period schedule will be allowed to earn and accrue vacation hours in excess of the three hundred and twenty (320) hour maximum.

Department Heads will encourage the taking of accrued vacation leave. If there are unusual circumstances that would require an employee to exceed the vacation accrual maximum, he/she must submit a request in writing to the Fire Chief and the City Manager. The Fire Chief and the City Manager may grant such a request if it is in the best interest of the City. Requests will be handled on a case-by-case basis and will be considered only in extreme circumstances.

C. Vacation Conversion

Each February, during a pay period to be determined by the City Manager or his/her designee, all employees working a 112 hours/pay period schedule shall be allowed to voluntarily convert up to one hundred twelve (112) hours of accrued vacation to cash, provided that they have used at least one hundred twelve (112) hours of vacation during the prior calendar year.

Each February, during a pay period to be determined by the City Manager or his/her designee, all employees working an 80 hours/pay period schedule will be allowed to voluntarily convert up to eighty (80) hours of accrued vacation to cash, provided that they have used at least eighty (80) hours of vacation during the prior calendar year.

D. Effects of Holiday on Vacation Leave

For all employees who work an 80 hours/pay period schedule, in the event one or more authorized municipal holidays fall within a vacation leave, such holiday shall not be charged as vacation leave, but shall be credited as a holiday.

E. Effect of Leave of Absence on Accrual of Vacation Leave

An employee's accumulation of vacation leave will cease after the completion of two (2) full scheduled pay periods in which the employee has not received compensation due to a leave of absence without pay. Accrual will be reinstituted beginning the day the employee returns to work.

F. Compensation for City Work During Vacation Prohibited

No person shall be permitted to work for compensation for the City in any capacity, except compensation for mandated court appearances, during the time of his/her paid vacation leave from City service. This clause shall not limit the City's right to recall an employee from vacation in the event of an emergency and place him/her on regular pay status.

G. Scheduling Vacations

An employee may take his/her annual vacation leave at any time during the year, contingent upon determination by his/her Department Head that such absence will not materially affect the department. Each employee must consider the needs of the service when requesting annual vacation leave. All vacation requests must be placed in Telestaff prior to 1700 hrs the day before the leave period. When a family emergency arises which necessitates the use of vacation time, an employee shall provide as much advance notice as possible considering the particular circumstances.

H. Terminal Vacation Pay

An employee with regular status separating from the City service who has accrued vacation leave shall be entitled to terminal pay in lieu of such vacation. No leave credit will be earned on terminal leave payments. When separation is caused by death of an employee, payment shall be made to the estate of such employee or, in applicable cases, as provided in the Probate Code of the State.

ARTICLE 12. SICK LEAVE ACCRUAL

All employees working a 112 hours/pay period schedule shall be entitled to accrue sick leave at a rate of 25 minutes per day. All other employees shall be entitled to accrue sick leave at a rate of 16 minutes per day. Sick leave is accrued on a daily basis. Sick leave can be used in 15 minute increments.

A. Use of Sick Leave

Sick leave shall not be considered a right which an employee may use at his/her discretion. Sick leave shall be allowed as follows:

1. In the case of actual illness or disability.
2. Exposure to contagious disease that would jeopardize the health of others. When sick leave is granted under these circumstances, an explanatory medical certificate from the physician is required.
3. A pre-scheduled doctor, dental, or optometry appointment has been entered into and allowed by Telestaff.
4. Because illness of a member of the immediate family requires constant care and no other care is available and/or financially feasible except that of the employee. Immediate family is defined in the Personnel Rules.
5. All leave provisions will be administered consistent with state and federal laws.

B. Proof of Illness

The Fire Chief may request a certificate issued by a licensed physician or other satisfactory proof of illness when abuse is suspected and/or when sick leave use is in excess of three (3) consecutive work days. The Fire Chief may also designate a licensed physician to conduct a physical examination, and such examination shall be conducted at City expense. Employees shall be required to account for all hours they are requesting as sick leave via Telestaff. Violation of sick leave privileges may result in disciplinary action and/or loss of pay when, in the opinion of the Fire Chief, the employee has abused such privileges.

C. Effect of Leave of Absence

An employee's accumulation of sick leave will cease after the completion of two (2) full scheduled pay periods in which the employee has not received compensation due to a leave of absence without pay. Accrual will be reinstituted upon return to work.

ARTICLE 13. BILINGUAL PAY

The City will provide additional compensation to an employee, designated by the Human Resources Department, in the amount of \$40.00 per pay period for the performance of bilingual skills.

In order to qualify for and receive bilingual pay, employees must pass a bilingual proficiency test in the Spanish language as determined appropriate by the City. The City reserves the right to include other languages as eligible for bilingual pay at some future date. This article shall not be subject to the grievance procedure.

ARTICLE 14. LINEN PROVISION, MAINTENANCE, AND REPLACEMENT

The City agrees to provide one set of bed linen and two towels per person for all personnel working a 112 hours/pay period work schedule. To assist in maintenance, all fire stations will be equipped with washing machines and dryers; shift personnel will be responsible for maintaining their own linens and towels.

The City agrees to replace linens and towels on an "as needed" basis, with a maximum replacement of once per calendar year.

ARTICLE 15. FLEXIBLE BENEFITS PROGRAM

- A. Employees represented by the CFA, Inc. will participate in a flexible benefits program which includes medical insurance, dental insurance, vision insurance and flexible spending accounts (FSAs). Each of these components is outlined below.

Medical Insurance

During the term of this Agreement, represented employees will be covered by the Public Employees' Medical and Hospital Care Act (PEMHCA) and will be eligible to participate in the CalPERS Health Program. The City will pay on behalf of all employees covered by this agreement and their eligible dependents and those retirees designated in Section D of this Article, the minimum amount per month required under Government Code Section 22892 of the PEMHCA for medical insurance through the California Public Employees' Retirement System (CalPERS).

If electing to enroll for medical benefits, the employee must select one medical plan from the variety of medical plans offered through CalPERS. Effective the first full pay period following City Council approval of this Memorandum, prospectively only, the City shall contribute the following monthly amounts (called Benefits Credits) on behalf of each active employee and eligible dependents toward the payment of 1) medical premiums under the CalPERS health program, 2) contribution of some or all of the premium for dental coverage and/or vision coverage and 3) contributions in the name of the employee to the City's flexible spending account(s):

- (a) For employees with "employee only" coverage, the City shall contribute six hundred fifty-seven (\$657) per month that shall include the mandatory payments to CalPERS. If the actual total premiums exceed the City's total contributions, the employee will pay the difference.
- (b) For employees with "employee plus one dependent" coverage, the City shall contribute nine hundred seventy one (\$971) per month (increased from \$927 per month) that shall include the mandatory payments to CalPERS. If the actual total premiums exceed the City's total contributions, the employee will pay the difference.
- (c) For employees with "employee plus two or more dependents" coverage, the City shall contribute one thousand one hundred sixty one (\$1,161) per month (increased from \$1,108 per month) that shall include the mandatory payments to CalPERS. If the actual total premiums exceed the City's total contributions, the employee will pay the difference.

For the remainder of the 2013 calendar year, the increase in benefit credits outlined in this section will be paid to the employee in cash and reported as taxable income.

- B. Beginning the first full pay period following City Council approval of this Memorandum, prospectively only, unused Benefits Credits as outlined above will be paid to the employee in cash and reported as taxable income. If the amount contributed by the City (Benefits Credits) exceeds the cost of the medical and dental insurance purchased by the employee, the employee will have the option of using any "excess credits" to purchase vision insurance or to contribute to a healthcare or dependent care flexible spending account (FSA). During the open enrollment period that occurs in 2013 the employee will

also have the opportunity to use any “excess credits” to purchase accidental death and dismemberment (AD&D) insurance. Open enrollment benefit elections are implemented the following calendar year.

C. Dental Insurance

Represented employees will be eligible to enroll in a City-sponsored dental plan. Should an employee elect to enroll for medical benefits, he/she must also enroll in dental coverage at the same coverage level (employee only, employee plus one dependent, employee plus two or more dependents) as medical insurance.

Beginning with the open enrollment period that occurs in 2013, the employee will have the option of selecting any dental coverage level regardless of the employee’s selected medical coverage. Open enrollment benefit elections are implemented the following calendar year.

Vision Insurance

Represented employees are eligible to enroll in the City sponsored vision insurance plan. Employees may elect to purchase vision insurance or to opt out of the vision insurance program. If the decision is made to purchase vision insurance, a represented employee may purchase vision insurance at any level of coverage (employee only, employee plus one dependent, employee plus two or more dependents).

D. Retirees

Each retired employee who was a member of this bargaining unit is covered by the Public Employees’ Medical and Hospital Care Act and is eligible to participate in the California Public Employees’ Retirement System (CalPERS) Health Program. Represented employees who retire from the City, either service or disability, shall be eligible to continue their enrollment in the CalPERS Health Program when they retire, provided that the individual is enrolled or eligible to enroll in a CalPERS medical plan at the time of separation from employment and their effective date of retirement is within 120 days of separation. The City will contribute the minimum amount per month required under Government Code Section 22892 of the PEMHCA toward the cost of each retiree’s enrollment in the CalPERS Health Program.

Employees who retire from the City, either service or disability, shall be eligible to continue to participate in the City’s dental and/or vision insurance programs. The cost of such dental and/or vision insurance for the retiree and eligible dependents shall be borne solely by the retiree. The City shall not charge the COBRA administrative cost to the retirees. A retiree who does not choose continued coverage upon retirement, or drops coverage, is only eligible to return to the City’s dental and vision insurance program during open enrollment periods.

The City will invoice the retiree for his/her monthly premiums for dental and/or vision insurance and the retiree must keep such payments current to ensure continued coverage.

E. Opt Out Provision

CFA represented employees who do not wish to participate in the CalPERS Health Program will have the choice of opting out of the City's medical insurance program, provided they can show that they are covered under another insurance program.

Effective the first full pay period after ratification of this MOU (prospectively only), employees who elect the opt-out provision will be given a reduced City contribution amount (Benefits Credits) of two hundred fifty (\$250) per month (increased from \$239 per month) to be used toward the purchase of dental insurance, vision insurance, or as a contribution to a flexible spending account (or, during the 2013 open enrollment period, to elect to use those benefit credits toward the purchase of accidental death and dismemberment (AD&D) insurance). The City contribution amount of two hundred fifty (\$250) per month will be granted to any employee who elects to opt out of the CalPERS Health Program, regardless of the employee's level of coverage (employee only, employee plus one dependent, employee plus two or more dependents).

Beginning the first full pay period following City Council approval of this Memorandum, prospective only, unused Benefits Credits will be paid to the employee in cash and reported as taxable income.

ARTICLE 16. HOLIDAYS

The City shall observe the following scheduled paid holidays, consistent with the annual holiday schedule published by the Human Resources Department:

New Year's Day
Martin Luther King Jr.'s Birthday
President's Birthday
Memorial Day
Independence Day
Labor Day
Columbus Day
Veteran's Day
Thanksgiving
Thanksgiving Friday
Christmas Day
One (1) Floating Holiday

Employees working a 112 hours/pay period schedule shall be compensated for twelve (12) hours of holiday pay (using a base salary rate that excludes additional pays) on the day the holiday occurs. The holiday pay associated with the floating holiday will be compensated on April 15 for those employees who are employed with the City on that day.

Employees in Fire Prevention working an 80 hours/pay period schedule will observe the scheduled paid holidays listed above, and will be allowed to use the floating holiday at the

discretion of the employee upon prior approval of the Department Head. Only employees who are on paid status on their scheduled work day immediately before a holiday shall be entitled to the paid holiday.

ARTICLE 17. RETIREMENT BENEFITS

17.1 The City has contracted with CalPERS for the following retirement benefits:

- Safety Tier 1 - (employees entering safety membership for the first time prior to October 4, 2010) – The retirement formula shall be 3% @ 50; single highest year final compensation.
- Safety Tier 2 - (employees entering safety membership for the first time on or after October 4, 2010) – The retirement formula shall be 2% @ 50; three year average final compensation.

Employees who are "New Members" as defined by the California Public Employees' Pension Reform Act of 2013 (PEPRA) (e.g., an employee hired on or after 1/1/2013 who has never been a CalPERS member or member of a reciprocal system or who has had a break in CalPERS service of at least 6 months or more) will constitute a third tier and be subject to all the applicable PEPRA provisions, which include but are not limited to the following retirement benefits:

- Safety Tier 3 – The retirement formula shall be 2.7% @ 57; three year average final compensation.

17.2. Employee Retirement Contribution

The employee retirement contribution will be made on a pre-tax basis by implementing provisions of section 414(h)(2) of the Internal Revenue Code (IRC).

Employees shall make the following employee retirement contributions through payroll deductions:

- Tier 1 and Tier 2 safety employees shall pay all of the employee retirement contribution (9%).
- Tier 3 safety employees shall pay one half of the normal cost rate associated with the 3rd tier.

17.3. If the Employer Paid Member Contributions (EPMC) ever is greater than zero, the City will report the value of the EPMC as additional (special) compensation to CalPERS for all local fire employees designated as "classic CalPERS members."

ARTICLE 18. PROVISION OF 1959 PERS SURVIVORS' BENEFIT

The City agrees to provide the Fourth Level of the 1959 Survivors' Benefit.

ARTICLE 19. OVERTIME AND COMPENSATORY TIME

In determining an employee's eligibility for overtime, paid leaves shall be included in the total hours worked. Excluded from the total hours worked are duty free lunches, travel time to and from work, and time spent conducting bona fide volunteer activities.

There shall be no pyramiding of overtime. Hours worked by an employee in any workday or workweek on which premium rates have once been allowed shall not be used again in any other overtime calculation other than computing total actual hours worked.

Time worked shall be computed by rounding to the nearest quarter of an hour.

A. EMPLOYEES WORKING A 112 HOUR/PAY PERIOD SCHEDULE:

1. Overtime

In accordance with section 7(k) of the Fair Labor Standards Act, the official 7-day work period for employees who work a 112 hour/pay period schedule begins on Monday at 7:30a.m. and ends the following Monday at 7:29a.m.

Any employee required to perform in excess of 53 hours in a 7 day cycle and/or in excess of an employee's normal scheduled shift shall receive compensation at the rate of time and one-half his/her regular rate of pay.

The regular rate of pay shall be calculated in conformance with the FLSA.

B. EMPLOYEES WORKING AN 80 HOURS/PAY PERIOD SCHEDULE:

1. Overtime

The official 7-day FLSA work week for employees on a 9/80 Friday to Friday shift begins four (4) hours after the regularly scheduled starting time for their Friday shift and ends one hundred sixty eight (168) hours later (at four (4) hours after the regularly scheduled starting time for their Friday shift). For all others who work an 80 hour/pay period schedule the FLSA work week is from Monday at 12:00 a.m. to Sunday at 11:59 p.m.

Any employee required to perform in excess of 40 hours in their 7 day FLSA work week or in excess of an employee's normal scheduled day shall receive compensation at the rate of time and one-half his/her regular rate of pay except as outlined in Section 3 below.

The regular rate of pay shall be calculated in conformance with the FLSA.

2. Compensatory Time

In lieu of receiving overtime pay pursuant to Section 1 above, a Fire Prevention employee may elect, subject to department approval, to receive compensatory time off on a time and one-half basis. No employee shall accrue more than 80 hours of such compensatory time. Should any employee exceed 80 hours of accrued compensatory time, he/she shall be paid at time and one-half his/her regular rate. An employee may use such compensatory time within a reasonable period after making the request if the use of compensatory time does not unduly disrupt the operations of the department.

An employee may elect to “cash out” any portion of his/her accrued compensatory time at his/her regular rate of pay in any pay period. The employee shall indicate the number of hours to be cashed out on his/her timesheet..

3. Request for Temporary Shift Adjustment (Flex Time)

An employee on an 80-hour shift may request that the employee’s normal workday be temporarily altered in order to accumulate a credit of work hours that may be used to take time off during the employee’s FLSA work week without loss of pay. If the request is approved by management, pay for hours worked during this temporary shift adjustment shall be paid at the straight time rate even if the employee’s hours worked exceed his/her normal scheduled shift on that day. Overtime will still be paid if the employee works in excess of 40 hours during his/her FLSA work week.

ARTICLE 20. FLEXIBLE WORK SCHEDULES

Employees hired by divisions currently operating on an alternative work schedule shall be subject to having their daily work schedule changed at the sole discretion of the department. Such changes include, but are not limited to, a) number of days/hours to be worked on a daily basis and in a payroll period; b) normal days off; and c) starting/ending times of assigned shifts. Suppression employees temporarily assigned to light duty will be assigned to the 9/80 work schedule referenced below or a traditional 5/40 work schedule. This article shall not be subject to the grievance procedure.

9/80 Alternative Work Schedule:

The parties acknowledge that they met and conferred in good faith over the terms and conditions for implementation of a 9/80 work schedule. The result of that meeting and conferring is reflected in the City of Carlsbad’s Administrative Order No. 57, by which the parties will control implementation of the 9/80 schedule. This article shall not be subject to the grievance procedure.

ARTICLE 21. AMERICANS WITH DISABILITIES ACT

The parties acknowledge the applicability of the Americans With Disabilities Act (ADA) and intend to apply and implement this MOU so as to comply with the ADA. The parties agree to consult if compliance with the ADA may require modifying the provisions of this MOU.

ARTICLE 22. FAMILY LEAVE ACT

The parties acknowledge the applicability of the Family Leave Act (Act) and intend to apply and implement this MOU so as to comply with the Act. The parties agree to consult if compliance with the Act may require modifying the provisions of this MOU.

ARTICLE 23. DISCIPLINE OF AN EMPLOYEE

23.1 The City may discipline a regular employee for just cause. In the case of disciplinary action involving suspension without pay, demotion or discharge, the employee shall be given notice of the action to be taken, the evidence or materials upon which the action is based, and an opportunity to respond to the Fire Chief either orally or in writing, provided the employee requests the opportunity within seven (7) calendar days of the notice of the action. The above process will occur prior to the imposition of the discipline.

23.2 Except as provided in Section 23.3, an employee has the right to appeal discipline according to the appeal procedure as set out below. Written notice of discipline shall inform and remind the disciplined employee of this right.

Hearing Officer. The employee or employee organization and the City agree that the advisory hearing will be conducted before a hearing officer selected by the parties from a list provided by the California State Mediation and Conciliation Service. If the parties cannot mutually agree on the hearing officer they will use a strikeout procedure using a list of seven names provided by the California State Mediation and Conciliation Service. The appellant will have the prerogative of striking the first name.

The City will bear all administrative costs associated with an appeal of discipline and the subsequent hearing; including the hearing officer, court reporter and transcription costs, if any.

The employee or employee organization will be responsible for the cost of his or her own representation or attorney fees and preparation of documents.

ARTICLE 25. ALCOHOL AND DRUG POLICY

I. POLICY

It is the policy of the City of Carlsbad to provide, for its employees, a work environment free from the effects of drugs and alcohol consistent with the directives of the Drug Free Workplace Act. The City of Carlsbad agrees to use a clinical laboratory which is certified by the National Institute on Drug Abuse (NIDA), now known as the Substance Abuse & Mental Health Services Administration (SAMHSA). All procedures and protocols for collection, chain of custody and testing will be conducted consistent with standards required under SAMHSA certification. This policy is intended to accomplish that objective.

A. Definitions - As Used in This Policy:

1. "Drug" means any substance which produces a physical, mental, emotional or behavioral change in the user, including but not limited to, prescription medications, heroin, cocaine, morphine and its derivatives, P.C.P., methadone, barbiturates, amphetamines, methamphetamines, alcohol, marijuana, and other cannabinoids.
2. "Workplace" means any site where City-assigned work is performed, including City premises, City vehicles or other premises or vehicles, while City-assigned work is being conducted, or within a reasonable time thereafter.
3. "Reasonable suspicion" means a standard for evidence or other indication of impairment of normal physical or mental skills by alcohol or drugs where such impairment could negatively affect work performance or could pose a threat to public or employee safety.

B. Employee Responsibilities

1. As a condition of employment, employees shall:

- a. not engage in the unlawful manufacture, distribution, dispensation, possession or use of alcohol or drugs nor be under the influence of alcohol or drugs in the workplace or while on-call;
 - b. submit to an alcohol and drug analysis and remain on the premises when requested to do so by City management, acting pursuant to this policy, or by law enforcement personnel;
 - c. notify the City of any conviction under a criminal drug statute (including any pleas of nolo contendere), if such conviction was based on a violation which occurred in the workplace, no later than five days after such conviction; (notification under this subsection does not relieve an employee from the disciplinary consequences of the conduct upon which a criminal conviction is based); and
 - d. abide by all terms of this policy.
2. Employees must notify their supervisors when taking any medication or drugs, prescription or non-prescription (over-the-counter medications), which may interfere with safe or effective performance of their duties or operation of City equipment.
 3. Off-duty involvement with any controlled substance including, but not limited to manufacture, distribution, dispensing, possession, use or any conviction under a criminal drug statute whose scope and employment are relevant to City employment may result in disciplinary action up to and including termination if there is relevant nexus between such off-duty involvement and the employee's employment with the City, consistent with the legal requirements for disciplinary due process.

C. Employer Searches

For the purpose of enforcing this policy and maintaining a drug-free workplace, the City reserves the right to search, with notice to the employee or if no prior notice, in the employee's presence, all work areas and property in which the City maintains full or joint control with the employee, including but not limited to City vehicles, desks, lockers, file cabinets, and bookshelves. These areas remain part of the workplace context even if the employee has placed personal items in them. Employees are cautioned against storing personal belongings in work areas under full or joint City control since such work areas may be subject to investigation and/or search under this policy. Employees shall have no expectation of privacy in these areas, locations or properties.

Employer searches shall occur when there is a determination of “reasonable suspicion” as defined herein. Such searches shall be conducted by persons having supervisory and/or other legal authority to conduct such searches. Searches will not normally occur without concurrence of more than one supervisor.

If the FBOR (Government code section 3259) is applicable to a particular search, then the City will comply with the Act notwithstanding anything to the contrary in this article. For example, the City may conduct searches without notice to the employee or without the employee being present, if a valid search warrant has been obtained. The employee may also consent to a search.

Nothing herein shall prevent the City from taking appropriate action if there is an inadvertent discovery of evidence of drug or alcohol use.

D. Consequences of Violation of Policy

1. Failure to abide by the terms of this policy shall be grounds for disciplinary action, up to and including termination.
2. In addition to any disciplinary action, an employee who fails to abide by this policy may also be directed or allowed to satisfactorily participate in an approved alcohol or substance abuse assistance or rehabilitation program.

E. Federal Motor Carrier Safety Improvement Act of 1999 and DOT regulations

 - c. An employee may also be required to remain on the premises for a reasonable time until arrangements can be made to transport the employee to his or her home.
2. Some examples of "reasonable suspicion" as defined in Section I.A.3. include, but are not limited to, the following, when confirmed by more than one person having supervisory authority:
 - a. slurred speech.
 - b. alcohol odor on breath;
 - c. unsteady walking or movement not related to prior injury or disability;

 - e. physical or verbal behaviors that are disruptive, non-responsive, unusual for that employee or otherwise inappropriate to the workplace situation;
 - f. attributable possession of alcohol or drugs;
 - g. information obtained from a reliable person with personal knowledge that would lead a reasonably prudent supervisor to believe that an employee is under the influence of alcohol or drugs;
3. Refusal to remain on the premises or to submit to a drug and alcohol analysis when requested to do so by City management or by law enforcement officers shall constitute insubordination and shall be grounds for discipline, up to and including termination.

4. A drug and alcohol analysis may test for the presence of any drug which could impair an employee's ability to effectively and safely perform the functions of his or her job.

If any part or provision of the Memorandum is in conflict or inconsistent with such above applicable laws, rules and regulations, or is otherwise held to be invalid or unenforceable by any tribunal or competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum shall not be affected thereby.

ARTICLE 29. PARAMEDIC LICENSE PAY

ARTICLE 30. REPORTING VALUE OF UNIFORMS TO CALPERS

Effective May 31, 2010, all CFA-represented employees who are required to wear City-provided uniforms will have the amount of \$17.31 reported to CalPERS bi-weekly as special compensation related to the monetary value of the required uniforms, excluding boots. Under PEPRRA, this benefit does not apply to new members.

ARTICLE 31. ACTING PAY

Whenever the needs of the City require an employee to temporarily perform the duties of a higher classification than that in which the employee is currently employed for a period of four (4) hours or more, the employee shall receive 5% additional pay while in the acting capacity. Only employees who are on an Eligibility List (maintained by the Human Resources Dept) for the higher classification or employees who have completed an Acting Position Taskbook (as described in the Fire Department Directives) are eligible to serve in an acting capacity. The CFA and the City agree that during the term of this Memorandum, CFA and Fire Department management shall meet and confer on the issue of the specific provisions of the Acting Position Taskbook.

An employee may not serve in an acting capacity for more than six (6) months without prior approval from the Fire Chief.

ARTICLE 32. DEFERRED COMPENSATION

The City shall provide for a Deferred Compensation Plan which may be utilized by any employee on an optional basis. The City reserves the right to accept or reject any particular plan (current providers are ICMA and Nationwide) and to impose specific conditions upon the use of any plan. Such plan shall be implemented without cost to the City.

As soon as administratively possible, CFA-represented employees will be eligible for the personal loan provision established with Nationwide deferred compensation provider only. It is

acknowledged that the City will assist in the administrative set-up of this benefit but that the City has no liability if an employee should default on the repayment of such loan.

ARTICLE 33. LEAVE OF ABSENCE

33.1 Occupational Injuries or Illnesses

- 33.1.1 Employees in the classifications of Firefighter, Paramedic Firefighter, Fire Engineer, Fire Captain and Captain Specialist who are temporarily unable to work due to an occupational illness or injury will receive full pay for up to one year as provided in Section 4850 of the Labor Code (“4850 benefits”). The employee may not receive 4850 benefits concurrently with sick leave or any other form of paid time off.

All non-suppression classifications that sustain a work related injury or illness and becomes temporarily disabled from work as a result, may receive their full salary, in lieu of the State mandated temporary disability benefit, for a period of up to forty-five (45) calendar days for any single incident. The periods of temporary disability need not be continuous. Any aggravation of a pre-existing occupational injury or illness will be treated as such and not as a new injury. In this situation, the employee will not be entitled to any occupational sick leave benefit which exceeds the original maximum of forty-five (45) calendar days. The City reserves the right to determine whether occupational sick leave will be granted. Granting of occupational sick leave will be subject to the same procedures and standards (including predesignated physicians, resolution of disputes over benefits, use of Agreed Medical Examiners, etc.) as used in workers’ compensation matters and/or FMLA/CFRA matters.

If the employee continues to be unable to work after the above described benefits have been exhausted and the employee has not been retired, the employee will receive workers’ compensation temporary disability payments as provided in the Labor Code. To the extent these benefits are less than the employee’s full regular pay, the employee shall supplement them by using accrued sick leave, vacation, and/or compensatory time to reach the amount equal to the employee’s full regular pay until the employee’s leave balances reach zero, at which time the employee would commence an unpaid leave of absence.

33.2 Non-Occupational Injuries or Illnesses

- 33.2.1 An employee who is temporarily unable to work due to a non-occupational illness or injury will receive those disability benefit payments for which the employee is eligible and applies. To the extent that these benefits are less than the employee’s full regular pay, the employee shall supplement them by using accrued sick leave, vacation,

and/or compensatory time to reach the amount equal to the employee's full regular pay until the employee's leave balances reach zero, at which time the employee would commence an unpaid leave of absence.

- 33.2.2 Leaves of absence for pregnancy-related disabilities will be handled in the same manner as leaves of absence for non-occupational illnesses or injuries, subject to the pregnancy disability provisions of the California Fair Employment and Housing Act.

- 33.3 To the extent permitted by law, a leave of absence under this article will run concurrently with any leave of absence an employee is entitled to receive under the California Family Rights Act or the federal Family and Medical Leave Act.

33.4. Leave of Absence Without Pay

A. General Policy

Any employee may be granted a leave of absence without pay pursuant to the approval of the Fire Chief for less than two calendar weeks. If the duration of the leave of absence will be longer, the approval of the City Manager or his/her designee is required.

An employee shall utilize all his/her vacation, compensatory time off and/or sick leave (if applicable) prior to taking an authorized leave of absence without pay.

A leave without pay may be granted for any of the following reasons:

1. Illness or disability.
2. To take a course of study which will increase the employee's usefulness on return to his/her position in the City service.
3. For personal reasons acceptable to the Fire Chief and City Manager.

B. Authorization Procedure

Requests for leave of absence without pay shall be made in writing and shall state specifically the reason for the request, the date when the leave is desired to begin, the probable date of return, and the agreement to reimburse the City for any benefit premiums paid by the City during the leave of absence. The request shall normally be initiated by the employee, but may be initiated by the Fire Chief, and, if applicable, shall be promptly transmitted to the City Manager or his/her designee for approval. A copy of any approved request for leave of absence without pay with a duration equal to or greater than two calendar weeks shall be delivered promptly to the Directors of Finance and Human Resources.

C. Length of Leave and Extension

A leave of absence without pay may be made for a period not to exceed six months, unless otherwise approved by the City Manager. The procedure for granting extensions shall be the same as that in granting the original leave provided that the request for extension is made no later than fourteen (14) calendar days prior to the expiration of the original leave.

D. Return From Leave

When an employee intends to return from an authorized leave of absence without pay either before or upon the expiration of such leave, he/she shall contact his/her Department Head at least fourteen (14) calendar days prior to the day he/she plans to return. The Department Head shall promptly notify the Human Resources Department of the employee's intention. The employee shall return at a rate of pay not less than the rate at the time the leave of absence began.

E. Effect of Leave Without Pay

A prorata reduction of normal annual vacation and sick leave accruals shall be applicable to an approved absence without pay. Any absence without pay constitutes a break of continuous service with the City. The granting of any leave without pay exceeding two full scheduled pay periods shall cause the employee's salary anniversary date and calculation of full-time continuous service to be extended by the number of calendar days for which such leave has been granted less the first two full pay periods of such leave.

An employee's accumulation of sick leave and vacation leave will cease after the completion of two (2) full scheduled pay periods in which the employee has not received compensation due to a leave of absence without pay. Accrual will be reinstituted beginning the first day the employee has returned to work.

F. Leave Without Pay - Insurance Payments and Privileges

An employee on leave without pay may continue his/her City insurance benefits by reimbursing the City for the employee's costs of insurance on a monthly basis during the period of the leave. Failure to reimburse the City for such benefits during the term of a leave of absence will result in the employee's coverage terminating on the first day following the month in which the last payment was received.

Upon the employee's return to paid status, any sums due to the City shall be repaid through payroll deductions. This applies to sums due for insurance as well as other payment plans entered into between the City and the employee (e.g., computer loan).

Upon eligibility for COBRA, the employee will be notified of the opportunity to continue benefit coverage via the COBRA process.

An employee on leave of absence without pay shall not have all of the privileges granted to regular employees.

G. Pregnancy Disability Leave

Pregnancy Disability Leave shall be authorized and/or administered in accordance with the provisions of State and Federal law. An employee disabled by pregnancy shall be allowed to utilize a combination of accrued sick leave, vacation, compensatory time and leave without pay to take a leave for a reasonable period of time, not to exceed four months. An employee shall utilize all accrued leave, except compensatory time off, prior to taking leave without pay. Reasonable period of time means that period during which the employee is disabled on account of pregnancy, childbirth, or related conditions.

An employee who plans to take a leave pursuant to this article shall give the City reasonable notice of the date the leave shall commence and the estimated duration of the leave.

ARTICLE 34. MILITARY LEAVE

Military leave shall be authorized in accordance with the applicable provisions of State and Federal law. The employee must furnish satisfactory proof to the Fire Chief, as far in advance as possible, that he/she must report to military duty.

ARTICLE 35. JURY DUTY

When called to jury duty, an employee, having provided at least five working days written notice from the date of the summons, shall be entitled to his/her regular compensation. Employees shall be entitled to keep mileage reimbursement paid while on jury duty. The Fire Chief may, at his/her sole discretion, contact the court and request an exemption and/or postponement of jury service on behalf of an employee.

Employees released early from jury duty shall report to their supervisor for assignment for the duration of the work day. At the discretion of the supervisor, an employee may be released from reporting back to work if an unreasonable amount of the work day remains in light of travel time to the job site after release.

ARTICLE 36. LIFE INSURANCE AND VOLUNTARY BENEFITS

All CFA-represented employees shall receive City paid life insurance in an amount equal to one times their basic yearly earnings. To determine the benefit, the amount of insurance is rounded to the next higher \$1,000 multiple, unless the amount equals a \$1,000 multiple.

The City provides various voluntary benefits available at the employee's cost. Employees may select among various levels of coverage. For information regarding these benefits, contact the Human Resources Department at 760-602-2440.

ARTICLE 37. PROBATIONARY PERIOD

- 37.1 The initial hire probationary period shall be one year from the date the employee is hired. The probationary period will permit both the supervisor and the employee to become acquainted and to determine the adaptability and the fitness of the employee to the assigned work. The employee will find this period helpful in evaluation of the City, his/her duties, his/her work and other satisfaction.
